

PRESTIGE

LOOK OF DISTINCTION

PRESTIGE

Details in the foreground for top-situations. As a result of long researches even for aesthetics, Prestige is a range conceived by Aci Farfisa to offer to demanding customers brass door stations that excellently integrates to luxury residences. Ancient buildings, houses in historical centres, residential estates... and more than these. Prestige is also the ideal proposal for new structures or in re-building where, even through the particulars, a special look can be given by exclusive models. Prestige represents and exalts prestige and class of extraordinary residences.
